

Affordable Homeless Housing

Alternatives (AHHA)

AHHA is building a coalition that brings the people and the resources together to create communities with housing/shelter alternatives that have an immediate and long-lasting impact on minimizing homelessness and maximizing affordable housing options. We strive to develop collaborative communities as we join in solidarity to build affordable homeless housing alternatives in the form of safe parking, sanctioned camps and tiny home villages. HOW we work together is as important as WHAT we create in working together.

Everyone is welcome to join us.

Join us every 1st Saturday of
the month,
11:30am-2pm

AHHA's Shower Care-A-Van will meet our houseless community members where they are and bring resources and services to them with no questions asked.

We intend to serve the community with 2 shower days/week, providing 30 showers each day we are open.

*Do you have a business location that would be a good fit for the showers?
Please reach out to us!*

We are currently seeking parking locations, partnerships, donations and volunteers to help us bring this community project to life.

AHHA'S SHOWER CARE-A-VAN!**

AHHA is delighted to announce the launch of our new program, AHHA'S Shower Care-A-Van! The mobile shower and pop-up care center will start serving Humboldt County in September, 2019.

AHHA's Shower Care-A-Van will serve Humboldt's unhoused community with help from our dedicated volunteers and local service providers.

This program is made possible by our Funders and Supporters:

- Homeless Emergency Aid Program (HEAP) Grant
- Coast Central Credit Union's Community Grant
- Our generous, passionate volunteers
- Donations from our wonderful community

THANK YOU!

**TOGETHER WE CAN
MAKE A DIFFERENCE**

Over 1,500 of Humboldt's residents are living outside with no place to call home. We believe many factors are to blame. Most notably Humboldt's lack of temporary and permanent housing, income inequality, and lack of health services for those most in need. These showers are desperately needed in our community because hygiene is the most essential basic step in providing health care.

AHHA's Shower Care-A-Van is run by 8-10 dedicated volunteers and one Driver/Operator.

The showers operate 2 days a week, serving the general areas of Eureka and Arcata with plans to expand throughout Humboldt as communities can support our expansion.

SERVICES WE PROVIDE:

- Hot Showers for our community members in need, no questions asked
- Clothing donations, with help from Wardrobe of Joy
- Cell phone charging
- Hygiene kits
- Dog care products
- Haircuts, as available by volunteers
- A welcome PLACE TO BE while we are in service with comfy chairs, snacks, water and coffee.

Call for Donations: AHHA is currently seeking the following items for the Shower Care-A-Van. Perhaps you can help by donating or spreading the word:

- Towels
- Bulk bottles of shampoo, conditioner and soap
- Storage space
- Haircuts
- Wellness services
- Dog food
- Cleaning supplies
- Packs of new underwear and socks
